- Tamil

- English

- German (basic)

AWARDS

- Best Performance in Sports 2024 **(Saveetha Engineering College)**

- FORM III - 2024 **(Anna University)**

PROFILE

An academically proficient and athletic student with a keen passion for creating user interfaces through front-end technologies such as HTML, CSS, and JavaScript, employing Bootstrap and React frameworks. I have applied these skills in various projects.

Furthermore, I have demonstrated exceptional skills in rifle shooting while representing the Tamilnadu shooting team, earning recognition with the best performance in sports.

EXPERIENCE

Web Developer Intern

NSIC, Chennai   June 2024 - July 2024

- Developed strong organizational and time management skills by completing multiple tasks simultaneously.
- Collaborated effectively with team of interns to complete group projects proficiently.
- Developed Front End user interfaces to enhance knowledge and skillset.

Cyber Security Intern

AICL, Learning Simplified   May 2023 - June 2023

- Gained knowledge on the several NIST frameworks, the principles of the CIA triad, and other security frameworks and controls that lower organizational risks.
- Examined the security information and event management (SIEM) technologies, Python and SQL programming languages, and network protocol analyzers.
